ADD/A [REDACTED]

Sunday, 1 February 1953

1. Saunders and I met with Mr. Dulles at about 0930 to furnish him certain statistics with reference to the budget and personnel preparatory to our meeting with the Rockefeller Committee from 1000 to 1300 hours. Attended the briefing of the Rockefeller Committee (Mr. Rockefeller, Mr. Eisenhower, and Mr. Fleming) on the Agency ~~policy~~, with particular emphasis on Political and Psychological Warfare. The Committee seemed most interested and appreciative. Those participating were General Smith, Mr. Dulles, Mr. Becker, Mr. [REDACTED], Mr. Amory, and [REDACTED] and I were available to answer questions, of which there were a few. 25X1A9a
